

## Adolf Hitler Had Plan to Conquer Whole of Europe

By J. F. SANDERSON  
Canadian Press Staff Writer

LONDON, April 8.—Britain last night produced documentary evidence to prove that Germany's rulers as early as 1937 had a detailed 10-year plan to conquer Europe and establish a Reich stretching from the Mediterranean to the Arctic, and from the Atlantic to the frontiers of Soviet Russia.

## HEAVY RAINS NECESSARY IN WEST STATES

### U.S. Government Stands To Lose Heavily On Crop Insurance

WASHINGTON, April 8.—Unless soaking rains fall in the Great Plains soon, the United States government stands to lose heavily on weather wagers with the farmers.

Under its crop insurance program the government has bet that 778,000 farmers will grow wheat at least 100,000,000 bushels of wheat—worth at current prices about \$100,000,000.

To get this protection, the farmers will pay 14.10-an-acre bushel of grain to the government for each of about 100,000,000 bushels due to drought, floods, freezes, hailstorms, insects or other natural causes; the government will make the payment good.

Federal Agriculture Department officials anticipate a flood of claims from the southwest, where fall and winter drought conditions have destroyed thousands of acres of winter wheat. Thousands of other acres are in the borderline.

The insurance program was inaugurated on the 1939 crop. Although only a relatively small number of the growers are now protected, losses were 2,700,000 bushels greater than premiums.

### DIPLOMATIC CAMPS

Two American diplomats were selected to their posts to help furnish all over the country to factories, public and recreational centers.

"This is how the plan was to be carried out," the ministry explained.

Twenty-four men, mostly smugged into Nazi organizations in Austria and later to German agents in Czech-Slovakia, were the main leaders.

## SOUTH GIRL IS ADJUDGED BEST RIDER

Doris Littlewood Is Winner Of Riding Title At Calgary Show

CALGARY, April 8.—Doris Littlewood of Calgary, whose riding of her own jumpers and huntresses thrilled audiences for four nights, emerged as the star rider of the 1940 saddle show when she won the coveted Elmont trophy following Saturday night's jumping events.

Mrs. Littlewood also claimed the chief trophy when presented by the officers of Lord Strathcona's Horse (RC) for the entry in the handy jumper competition.

A special high-jumping exhibition at the show, which also showed a "Sobatman" of the Bellotas stable, clear the high bar at six feet.

**28 Are Homeless As Fire Sweeps Town In Quebec**

ST. JEAN, Que., April 8.—Dr. Cyrus Adler, Jewish educationist, publicist, died last night after a long illness.

Dr. Adler, 76, occupied a front rank among Jewish leaders devoted to the advancement of his people.

With his wife, Dr. Sophie Adler, he was the foremost figure in Europe to come to the forefront as an advocate of peace. He was among those who signed the pact between Roosevelt and the Chinese in 1937 to end the European troubles.

The "Champion Hunter" of the 1940 show went to "Happy Laddie" of the Bow River stables, Calgary, with nearly \$10,000 in cash from the stable of Mrs. H. Phillips.

L. O. Chappell, Calgary entries captain, with the championship and reserve championship for riding horses, "Dynamic" being judge, "Dynamite" and "Jaunie," reserve champion.

Ian Brown of Calgary, riding "Imp," took the horses for boys of girls in the 15 and under four jumps.

A special high-jumping exhibition at the show, which also showed a "Sobatman" of the Bellotas stable, clear the high bar at six feet.

**28 Are Homeless As Fire Sweeps Town In Quebec**

ST. JEAN, Que., April 8.—Smashingly effective fire, which started from the blackened ruins of 18 houses destroyed in a lightning strike, left 28 persons homeless.

Believed caused by a cactus fire, the flames spread through the configuration made disastrous by a 50-mile-an-hour gale.

Plans, started by the town, to spread in both directions and were halted only after volunteers fired hoses to keep the flames from spreading.

No lives were lost and the only serious injury was to a 20-year-old woman who suffered a fractured tibia in a fall from a roof.

**Suddes To Train Plane Inspectors**

OTTAWA, April 8.—Appointment of flying officer Arthur Suddes, Saskatoons, Ont., as head of a Toronto school of aircraft inspection was announced last night and held for Edmonton authorities.

**Edmonton Officer Gets Man In East**

HAMILTON, Ont., April 8.—Commissioner of Royal Canadian Mounted Police arrived here at the weekend from Edmonton, bringing the news that a 4,400-ton freighter, bound for Montreal, would be a carrier to Edmonton.

He will escort William Collinson, 29, from a fur tailor, to Edmonton, where he is wanted on a charge of theft of several for pelts. Collinson was arrested at the city last week and held for Edmonton authorities.

**British Military Strategist Dies**

LONDON, April 8.—Major-General Arthur Cecil Templer, 62, British military strategist, died yesterday morning. He was a well-known playwright, died Friday, he became ill last week. His most recent book, "The Whistling Galloping Gun," was published in 1937. He died in what he considered the blunders of some world statesmen.

**Actor Is Dead**

WINDSOR, April 8.—John Weller, 60, English actor, best known for his role in "The Whistling Galloping Gun," died yesterday morning. He was a well-known playwright, died Friday, he became ill last week. His most recent book, "The Whistling Galloping Gun," was published in 1937. He died in what he considered the blunders of some world statesmen.

Faulty Table Manners Spell Failure Socially

#### Eat Difficult Foods Correctly

She spent hours dressing for this important dinner—then she did it all wrong! She should have known better.

Never mind the other guests—they all thought as she shows it with pride in her efforts to set herself off with a fine dressing.

Avoiding foods which cross-blinders is just a matter of checking on etiquette, of learning the right way to eat.

With her plate of lettuce, endive or romaine, a knife may be used. Artichokes may be cut with your fingers. If you are eating a salad, don't put the rest back on your plate.

Use a fork if the heart. Asparagus also may be cut with a fork when the stalks are short, firm and dry. Otherwise, a fork.

At a luncheon, you would wait for everyone to be served before eating? No. It is proper to start in time to have a good place set before you. Or do you find yourself seated with double at least?

Don't be afraid of the next meal; make a good impression wherever you go. Our 32-page booklet gives etiquette for formal dinners, luncheons, tea parties, club restaurants. Tells what to live for use of difficult and unusual foods.

Send 15¢ in coin for your copy of *Good Table Manners* to Home Service Department, Edmonton, Alberta. Be sure to write plainly your name, address, and name of booklet.

### New Officers For Coming Year Are Named At Erskine

Annual meeting of the teachers and officers of the Erskine United Sunday School was held recently when the new officers were elected.

Holding executive position during the coming year are Mr. Harold Fazackerley, superintendent;

Miss Gordon Lettsch, primary secretary;

Reports showing progress in the work of the school were made by every body who possessed the antagonistic qualities that every wife possesses.

Officers for the year were elected including the purchasing of a piano for use in the primary de-

nirment.

#### UTILITY EARNINGS

The utility earnings available after providing for operating expenses, interest on capital and taxes were \$1,467,362 after providing for operating expenses, interest on capital and taxes. Interest and redemption charges were \$1,078,409 in general revenue and \$1,068,600 in the electric power rate. Total current expenditures were \$1,668,074 and revenue was \$1,183.

For former expenditure interest and redemption was \$253,388.

#### TRADE COUNCIL URGES NORMAL WORK BE CARRIED ON THIS YEAR

Council expects to discuss issues concerning 1940 at its meeting Monday night.

On the agenda is a letter from the Edmonton Trades and Labor Council urging the city to proceed with as much as possible of regular construction work this year, as wartime work has not yet begun to take up the slack of unemployment.

The E. T. and L. C. also urged installation of a city water softening plant as a sound business investment."

Council will consider the bill of the Alberta Motor Association urging that the war tax on electric power consumed in homes be based on the amount of kilowatt consumption rather than the amount produced, as at present.

Council also urges department heads to place the agenda to require certificates of occupancy for all residential buildings. Purpose of the proposal is to see that dwelling houses comply with the zoning bylaws, insuring that no family unit occupies two or more houses occupied by two or more families.

Council also urges a duplicate lighting system in the arena, for use in case an interruption in service cuts off the light of the building, which the commissioners reported. They will recommend that a system be installed.

Reporters were told plans and on proposals to revise the relief scale would remain open for a few days yet.

## Nazi Propaganda to Scare Britain

German crewmen fire giant gun pump 60-ton shells through stratosphere into London. Evolved from the 8.26-inch "Big Bertha" which in the World War shelled Paris from 75 miles away, the new super-guns have an 11.02-inch bore. It is 116 feet long, has range of 155 miles. Fired at a 70-degree angle, the shell is expected to travel 124 miles before slowing down to point where gravity pulls it straight down.

## Aid Given Franco Spain Pays Hitler No Dividends

Spain's Franco makes plans, but they don't help Germany's Hitler.  
—MORTON BRONNER

LONDON, April 8. — Perhaps the greatest disappointment to Nazi Germany and the greatest relief to Britain and France has been the cool, aloof attitude of Franco Spain.

Hitler counted on two things from Spain:

1. Regardless of British sea power, he had to believe that Franco's men were inferior and mercenary from Spain in payment for war supplies General Franco received from Germany during the civil war.

2. He believed General Franco would adopt such an anti-Semitic and anti-British attitude that France would find it necessary to divert several hundred thousand troops from its frontier to Spain and Spain.

On both, Hitler's expansionist forces not without good reason had built up a cold shoulder to Franco's side after signing a non-intervention agreement with Britain and France. The Legionnaire Legions air squadrons and legions played a considerable part in fighting those policies of the government of Madrid.

### SOVET FACT ALIENATED SPAIN

In January, 1939, Franco made a cultural agreement with Germany so that the two nations would have a closer and friendlier knowledge of the other. In April, 1939, Franco signed the anti-Communist pact.

So Franco was shocked beyond measure to learn Hitler and Britain still stand ajar.

Then Franco had been surprised, for France dissolved the Comintern party and Red駐使馆 in Paris, and the Comintern sent Ambassador to Spain Marshal Pétain, the hero of Verdun.

Demaret Tops  
Top Money In  
Masters' Tourney

AUGUSTA, Ga., April 8.—Jimmy Demaret, who has everything with him, going or bad, broke out of his extraneous, face-wide smiles Sunday and won \$2,000 in a check for \$1,000 that represented victory in the seventh annual Augusta Masters' golf tournament.

The 18-hole, \$10,000 purse National Golf Club course in 21, one under par, for a 72-hole total of 360 that was 12 under par. It was a record set year ago by Ralph Goldfarb.

Goldfarb, a young man from a two-over par 74 that gave him second money of \$900 on a \$244; Craig Wood and Sam Snead, who had won \$215, continued their way as they struggled around in 76 each for \$264. And Henry Picard, along with the four others back of Demaret, also wound up with \$264 on a final-round 75.

### CLOUDS VEIL SUN ECLIPSE HERE SUNDAY

**Darkening Of Sky Noted  
—Inch Of Snow Falls  
Overnight**

The mystery and secrecy with which nature jealously guards her phenomenal solar displays shrouded the heavens early Sunday afternoon, as scores of citizens braved a cold north wind to view the partial eclipse of the sun. Clouds partially obscured the eclipse, but amateur astronomers in the city were able to see the striking celestial sight before the eclipse was over. The clouds thickened and completely blocked all view of the sun.

During the partial eclipses over the past visibility was made keen by the fact that Sunday's "blackout" was a total one.

The shadow of the moon began to cross the sun's surface at 1:10 p.m. Sunday and passed at 2:26 p.m. At the height of the eclipse the apparent density was 30 per cent of the sun's surface, leaving a dark circular shadow. Although the sun was covered by the heavy layer of clouds, the sky was definitely darkened in the sky while the eclipse was in progress.

At sunset the fall in the day-to-day temperature was evident. Sunday afternoon and gradually increased to a heavy snow storm during the night. More than one inch of snow fell in the city overnight. Maximum temperature Sunday was 32 above and the minimum mark was 20 above.

Majority of people in the northern part of the city were up in Hudson Home almost being buried under an eight-inch snowdrift. Sun was reported for St. John, Dawson, Hythe, Fort Vermilion, Beaverlodge, Grande Prairie, Spruce River, High Prairie, Gravelbourg and Athabasca.

OTTAWA, April 8.—Dominion observatory officials said today the second total eclipse of the year scheduled for Oct. 1, but it will not be visible in Canada, because it will be centered in the northeastern part of South America, the south Atlantic and parts of Africa.

**C. R. M'LAUCHLAN  
OLDEST CANADA  
MASSON MEMBER**

A member of the Masonic order here, Ben C. B. McDougall, 850 Macdonald Drive, is believed to be the oldest living Canadian member of the Masonic order. He still attends two A.F. & A.M. meetings each week.

Born at Kincardine, Ont., Mr. McDougall became a Mason in 1883 when he was initiated by the Blenheim Lodge, No. 211, Ontario. One winter he moved to Western Canada, where in 1882 he attended lodge meetings there, transferring his affiliation to the Lodge at Brandon.

He is now a member of St. John's Lodge No. 4, Winnipeg, but "retires" his attendance at various Edmonton lodges.

Recently he received a Masonic jewel from his Windsor Lodge signifying his membership for more than 50 years. Few persons in the Dominion ever receive this honor.

Mr. McDougall, a retired lumberman, is a native of Ireland and a life insurance agent here, turned as real roles when he attended a meeting held last week, addressed by Hon. Ernest C. Drury, pointe, Dominion minister of fisheries. He fell as he was attempting to go to the stage to greet the cabinet minister.

**Rev. Mr. Nainby  
Gets Invitation  
To City Publif**

Rev. W. M. Nainby of Wetaskiwin has been invited to become rector of St. Paul's Anglican Church in succeeding Rev. Canon C. F. Clough, who resigned last war chaplaincy. The canonization of his participation has been approved by Rev. A. E. Burgess, Bishop of the diocese. His appointment has been accepted by Mr. Nainby.

English born, Mr. Nainby graduated from the University of Canada in 1910 and from the University of Saskatchewan and Emmanuel College, Saskatoon. In 1916 he was accepted at Hardisty; from 1922 to 1927 he served on the Wedgeback Ranch. In 1927 he became rector of St. Paul's, which has been rector of the double parishes of Emmanuel church, Wetaskiwin, and St. Paul's, Kennedy. He is a rural dean of 40 parishes. He is a rural dean of 40 parishes.

City firemen played hosts at Number 2 firehall Saturday night to one of Edmonton's most widely known citizens. He was Saul Collins, who was born in 1868, a boy who became a mail route system, and who celebrated his 80th birthday Saturday. Once a well-known horse trainer, Saul is known personally by every fireman and Saturday night paid a visit to the party, and was the guest of honour. Saul occupies the place of honor beside Fire Chief James Macgregor, while J. Robertson acted as chairman. The above picture shows, left to right, A. Cockle, R. Weir, Saul Collins, J. Macgregor, and J. Robertson. Saul and his "friends" are shown seated around the buffet table with their party behind them.
